LAST MILE HOLDINGS ANNOUNCES POSTPONEMENT OF SECOND QUARTER FINANCIAL STATEMENTS AND MD&A DUE TO COVID-19 RELATED DELAYS

Charleston, South Carolina and Vancouver, British Columbia – August 28, 2020 – Last Mile Holdings Ltd. (formerly OjO Electric Corp.) (the “**Company**” or “**MILE**”) (TSXV: MILE; OTC: AZNVF) announces the postponement of filing its second quarter financial statements and management’s discussion and analysis for the period ended June 30, 2020 (the “**Interim Filings**”) due to logistics and delays caused by the COVID-19 pandemic.

The Company is relying on blanket relief granted by Canadian securities regulatory authorities under *BC Instrument 51-515* allowing issuers an additional 45 days to complete their regulatory filings required pursuant to sections 4.3 and 5.12(2) of *National Instrument 51-102* by August 31, 2020. The Company is continuing to work diligently to file the Interim Filings at its earliest opportunity, which is expected to occur on or before September 30, 2020.

Until such time as the Interim Filings are filed, the Company’s management and insiders are subject to a trading blackout that reflects the principals contained in section 9 of *National Policy 11-207 – Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

Other than as previously disclosed by the Company in news releases, there have been no material business developments since the date of the last interim financial statements filed on June 16, 2020, copies of which are available on SEDAR at www.sedar.com. The Company will be providing an update news release on the status of filing its June 30, 2020 second quarter unaudited financial statements by September 27, 2020.
